ENCOURAGING ARAB CHRISTIAN
MINISTRIES IN THE HOLY LAND
P.O. Box 12482
Wilmington, DE 19850-2482

For to You a Savior
has been born in
Bethlehem called
Christ the Lord

As we near the end the year we remember with gratitude your partnership with us in prayer and giving for the ministry of **KingdomConnect**. In our ongoing efforts to provide accurate information and generate ongoing prayer we have listed the Arab Christian ministries that **KingdomConnect** seeks to encourage and promote. These ministries are important for the Arab Christian believers and through them they have a voice in the day to day lives of people of all faiths. Many Israeli and Palestinians hear the good news because of their tireless work and service.

One of the tools that we have used in building vision among American Christian leaders for our Arab brothers and sisters in the Holy Land is the book called **Light Force**. Recently a church in Pennsylvania has partnered with us to buy copies of this book to give away. If you haven't received your copy, we would love to give one to you. *Just email us and request your free copy.*

Thank you so much for joining our prayer team. We know that it is as a result of prayer the gospel goes forward, the darkness is repelled, Christ is embraced and God gets all the glory! (2 Cor. 1:11) Not only do we covet your prayers for our Arab believers and their ministries, but for our own as well. As you can imagine, just as every other ministry is struggling in a large part because of our economy, we too feel the crunch. We are praying for a strong year end giving for the financial support of this ministry and would ask you to join with us. Also we would ask that you help us by prayerfully considering a special year end gift to the work of **KingdomConnect**.

Kingdom Connect is affiliated with the following Ministries:

Nazareth Village

Thousands of visitors have the opportunity to visit this wonderful replica of first century Nazareth. Local believers & their children work

& serve there as they re-enact New Testament parables, guide tours, and operate a bookstore. **Pray that** the numbers of visitors will remain high to support the national Christians who work there.

Bethlehem Bible College

This ministry has educated many young Arab leaders who go on to be involved in ministry both full-time & through their local

churches. The message of reconciliation is strong as pastors from both Israeli & Arab churches teach the course at BBI. **Pray for** the completion of their new student center and that it would be filled with new students.

Emmaus Bible School

Many Muslims have heard the gospel through this vital correspondence school ministry. Even through opposition the EBS continues to serve the Arabic population. **Pray for** the book translation work and new student center that will be completed in good time.

Bridging the Gap School

Now in its 12th year, BTG has provided elementary through H.S. education to hundreds of students. What began with 10 kids & a box of books, how has produced graduates who attend university in Israel, USA & Europe, as well as those who have come back to work in BTG teaching students. This is the school that Donna was instrumental in starting and ran for the last 5 years we were in Israel. Please **pray for** its continued impact in the lives of students and families as they provide the necessary education for these students.

Musalaha

teen camps and more to help build

This excellent reconciliation ministry fosters activities such as retreats,

bridges between Jewish and Arab believers. **Pray that** the work of reconciliation at every age level will take root in the lives of Jews and Arabs.

Palestinian Bible Society

This ministry has gone through hardship & persecution & remains a vital component of the spread of the gospel in the West Bank & Gaza. **Pray that** the seeds of fellowship between Palestinian and Messianic believers sown with tears during 2009 will bring plentiful harvest in 2010.

House of Light

This vital ministry has touched the lives of hundreds of broken lives and helped restore their faith in Christ & hope for the future. **Pray for** them as they go into the prison that the 800+ prisoners will hear the message of salvation through their singing, preaching & giving of presents.

New Life Baptist Church

This was our home church when we lived in Nazareth. NLBC

is a vibrant loving body of believers who pours themselves out for each other under the leadership of Pastor Sohail & his wife Rutie. They have watched the small congregation grow & lives changed by the gospel. **Pray that** as the church expands that God would provide a larger facility.

Child Evangelistic Fellowship

CEF has been serving the Galilee region for decades & thousands of children Muslims and & Christians

have attended their clubs as families opened their homes to neighborhood children & faithfully delivered the gospel message through skits, songs and stories. **Pray that** the children that were reached through CEF ministries in 2009 would be followed up during 2010.

Wishing your family a very Merry Christmas & Bountiful New Year!
