Christian Arabs in a War Zone by Ben Duffy

The media nearly every week gives us an update on events in the Middle East. In that broadcast we may learn a little more about Arabs and their daily lives. What we do not see on TV is sometimes presented by a weekly Time, Newsweek magazine, or more commonly internet articles on the life of the Arab Christian communities in the face of attacks and intimidation by the Muslim community. Americans may in fact get tired and “turned off” by the conflicts between peoples in that area.

What is not spoken about is the dynamic yet often quiet impact of the Christian Arab ministries which work tirelessly day after day in the Holy Land to present the claims of Christ and seek to nurture the results of people putting their faith in Christ.

Below is a letter recently received by Labib a dear long time friend and the coordinator of the Palestinian Bible Society which works in conjunction with the Jewish and Israeli Arab Bible Societies. Please remember to pray for the next months for the outcome of the following mentioned conference that the special ministry initiatives proposed as a result of these meetings will be accomplished.

Labib writes:

“From November 9th until November 12th a group of Arab ministry leaders from Israel/Palestine will gather for a first ever process of Strategic Ministry Planning. The process is as important as the end result. Plans are also underway to launch a similar process among Messianic leader early next year.

May I kindly ask you to soak these initiatives in prayer. Whenever God’s people come together the enemy is terrified and tries to conspire against God’s people. May the will of God be established and the enemy’s plots be foiled.

Please pray:

- For unity and harmony
- For eyes to be opened to see the Kingdom of God beyond all other fake kingdoms
- For the facilitators to be equipped and anointed
- For the location where we meet to be sanctified and anointed with peace and God’s presence
- For all logistics to run smoothly
- For health protection and travel mercies for all involved
- For insight and wisdom and courage
- For a prophetic spirit
- For Christ’s name to be glorified and for His Kingdom in our beloved country to expand. Thank you for partnering with us. I will keep you updated.

Labib Medinat
