

- God is completely faithful to us with the promises He has made.
- God wants to help us to be faithful to Him with all that He entrusts to us.
- God will judge everybody for how faithful they were.
- God will bring chastisement to every believer who deceives others with his body.
- God will reward those who were faithful to Him with all that they have.

Tell how God has been helping you to be a better steward.

Invite the believers to tell about how God has been helping them to be better stewards. *Wait to hear what they will say. If they do not mention those below, then you can do so.*

Things that God has entrusted to us as his stewards

Our **bodies** which we are to feed, protect and keep holy.

Our **land** which we are to use and to protect from erosion.

Our **animals** from which we are to live and to treat humanely.

Our **money** with which we meet our needs and others' needs.

Our **children** whom we are to rear, care for, and evangelize.

Our **parents** whom we are to honour and care for.

Our **house** and **possessions** which we are to share as needed.

Our **spiritual gifts**, by which we are to serve one another.

Our **knowledge** which we are to pass on to those who need it.

Our **faith** in Jesus which we are to put into practice every day.

Ask: What are some other items that you can tell?

Have the children present the drama and questions that they have prepared.

To introduce the Lord's Supper, read 2 Chronicles 35:15-19. Explain that the good king Josiah had God's people celebrate the Lord's Passover Feast, which they had neglected. The Lord's Supper is the Christian's Passover Feast.

Memorize together 1 Cor. 14:2, "It is required of stewards that one be found trustworthy."

Have the believers and guest form **small groups** of two or three. Let them confess needs, express their intention to be better stewards, and pray one for another.
